To: Assistant Schools Division Superintendent

Public Schools District Supervisors/Principals In-Charge  
Elementary and Secondary School Administrators  
School Health Personnel  
This Division

1. Vision plays a critical role in a person's overall development, learning, and daily functioning. Many have undetected visual problems that can affect academic performance, behavior, and quality of life. Since not all vision issues present obvious symptoms, early identification through proper screening is essential.
2. The School Health and Nutrition Personnel will conduct a one-day orientation on July 2, 2026, at Carlito's Hotel and Restaurant, Isulan, Sultan Kudarat. The activity aims to equip School Health Personnel with the knowledge and skills needed to identify early signs of visual impairment. Through this orientation, participants learn proper screening techniques, referral procedures, and the importance of timely intervention.
3. Participants in this activity are the School Health and Nutrition Personnel. The traveling allowance of field nurses during the conduct of the program will be chargeable against the school MOOE, subject to the usual accounting and auditing rules and procedures.
4. For more information, all concerned may contact Wilfredo D. Panceras II, Medical Officer III at 0960-269-5247 or Ma. Theresa R. Segura, RN, Division Medical-Dental and Nursing Services Coordinator, at 0977-807-4428.
