5. In preparation for the specific conference segments, the concerned division delegates and school representatives are advised of the following directives:
- Division Stakeholders' Report:* The Division is allotted exactly 15 minutes to present its report. The presentation must describe the Last Mile Education landscape in the division, the challenges and accomplishments of the P130 journey (including local counterparts provided), and the teaching and governance innovations anticipated from the 2.5 KWh solar installations. The report must conclude with a quick testimony from one featured school storyteller.
  - Panel Discussion & Table Chats:* Pre-selected teacher-panelists will receive specialized guide questions from Sun Life ahead of time. During the afternoon round table meet-ups, division delegates will engage in unstructured Q&A rotations with Sun Life representatives. The Division is highly recommended to prepare **five sets of information packets** containing a summary of the division report and the profile of each P130 partner-school.
  - DepEd Message:* A designated representative from the Division will deliver a 5-minute message of appreciation to Sun Life, SVF, and the volunteers.
6. The participants shall also participate in the following side events:
- P130 Exhibit:** The Division is allocated a 4 ft x 4 ft display area (plain gray background) to showcase its identity, culture, and P130 journey. The setup must be informative, visually rich, creative, culturally proud, and eco-friendly.
  - Video Loop:** All concerned schools are requested to compile and submit links to their locally produced implementation videos to the Social Mobilization and Networking Section (SMNS) for collation.
7. To comply with the organizer's administrative deadlines, the SMNS unit must submit the complete list of Division delegates, the name of the official division reporter, and the featured school storyteller to the SVF secretariat on or before **June 01, 2026**. School links for the video loop must also be forwarded on the same date.
8. Food expenses, venue, and training kits of the participants shall be provided by the Solar Village Foundation, while traveling, and other incidental expenses shall be charged against school MOOE or local funds, subject to the usual budgeting, accounting, and auditing rules and regulations.
9. For queries and clarifications, all concerned may contact **MARIA GINA IMELDA B. ANDANG**, Senior Education Program Specialist-SMN through
