Division MEMORANDUM
SGOD-SHS No. 174 s. 2026

SCHOOL-BASED IMMUNIZATION (SBI) PROGRAM FOR 2026

To: Assistant Schools Division Superintendent
Chief of Schools Governance and Operations Division
Public Schools District Supervisors/Principals In-Charge
Elementary and Secondary School Administrators
School Health Personnel
This Division

1. In accordance with DepEd Memorandum No. 128, s. 2016, the Department of Education (DepEd), in partnership with the Department of Health (DOH), implements the School-Based Immunization program to reduce the prevalence of vaccine-preventable diseases among learners.
2. The School-Based Immunization (SBI) aims to protect against vaccine-preventable diseases (VPDs) such as measles, rubella, tetanus, diphtheria (**for Gr 1 and Gr 7**), and human papillomavirus (HPV) (**for Gr 4 and Grade 5 female learners who were not vaccinated in 2025 only**). The goal of this campaign is to ensure that children receive essential vaccinations, close the immunization gaps, and improve overall public health.
3. As a partner agency, schools shall collaborate with the Local Government Unit (Rural Health Unit) and other stakeholders in the planning and implementation of the upcoming School-Based Immunization program, which will commence on **September 15- November 15, 2026**, to promote and protect the health and welfare of learners.
4. Schedule of SBI per school will be provided by the Local Government Unit (Rural Health Unit) to be confirmed by the school. The school will provide consent and the master list before the program is conducted.
5. After the conduct of SBI, all reports should be submitted to Janet H. Kamag at janet.kamag@deped.gov.ph for division consolidation.
