DIVISION MEMORANDUM  
SGOD-SHNS No. 212 s. 2026

**DENGUE PREVENTION AND CASE MONITORING**

To: OIC-Assistant Schools Division Superintendent  
Chiefs of the Functional Divisions  
Education Program Supervisors  
Public Schools District Supervisors/Principals In-Charge  
Public and Private Elementary and Secondary School Heads  
School Nurses  
All Other Concerned  
This Division

1. In reference to Regional Memorandum No. 183, s. 2026 and Department of Health (DOH) Administrative Order No. 2018-0021, this Office hereby directs all public and private schools in the Division of Sultan Kudarat to disseminate and strictly implement the provisions of the said Regional Memorandum.

2. In view of the persistent threat of dengue and to protect the health, safety, and well-being of learners and personnel, all schools shall intensify and strictly implement the following dengue prevention and control measures:

- 2.1. Conduct regular and sustained search-and-destroy activities to eliminate mosquito breeding sites within and around school premises;
- 2.2. Maintain the cleanliness of classrooms, offices, canteens, comfort rooms, drainage systems, and other school facilities at all times;
- 2.3. Implement and promote the Department of Health's 4S Strategy Against Dengue, namely:
  - a. Search and destroy mosquito breeding sites;
  - b. Secure self-protection measures;
  - c. Seek early consultation for fever lasting more than two days; and
  - d. Support fogging or spraying in identified hotspot areas, when necessary;
- 2.4. Conduct intensified health education and advocacy activities among learners, parents, and personnel on dengue prevention, control, and early recognition of signs and symptoms; and
- 2.5. Report immediately all suspected or confirmed dengue cases through the established school and Schools Division Office health reporting mechanisms.
